Linda: as we discussed please share a copy of the PRBRC and Senator Enzi letters with WOGCC.

I will route the package to you to prepare a brief response to PRBRC concerns via a letter back to the Senator. I can help with drafting an outline with you of the points we should consider in our response.

Hi Sandy: Sadie just received this letter from Senator Enzi. This concerns EPA's pending decision on an aquifer exemption request of the Madison aquifer in Wyoming's Wind River Basin. This request was submitted by the WOGCC on behalf of the permit applicant (Encana Oil and Gas).

Could you please confirm protocol for our response?

Sadie has the original.

Thanks,
